1945

FOREWORD...

"Eventually all things work out; there is design in everything—in the wing of an eagle, the bill of a bird, the eye of an insect—everything has a perfect balance."

"Heaven Can Wait," by Harry Segall.

Yes, no matter what the appearance of things, our generation must believe that there yet exists a grand, all-pervading pattern, inscrutable though it may seem. We have matured in times which are unparalleled in the history of the world—times of disturbance, of turmoil, of insecurity, and of hate. Not only have we seen leaders rise and fall; we have seen entire governments flare briefly in nova-like splendor, only to drop swiftly into the depths of oblivion. The growing pains of civilization have manifested themselves in the greatest man-made upheaval since the dawn of history.

We entered Alameda High School amid the gathering clouds of war, and we graduate into the storm. Between entrance and graduation we actually live one of the most enjoyable and trouble-free periods of our entire life; yet because of the insidious sense of unrest which has seized the world we do not realize the fact. It is to be regretted that we are unable to draw the fullest degree of pleasure from each fleeting moment of these four years, to mentally note and savor each of the seemingly infinitesimal incidents of the day.

It is with the above in mind that we compile and publish this annual. Here upon these pages we hope to set down an imperishable memory of these four years of high school life; we hope to arrest high school activity in its many phases and capture it in this book. Years hence, when our youth is little more than a faint memory, we can take this ACORN from the shelf and thumb through its pages in pleasant recollection of old comrades and associates. When that day comes, and when we retire from our life's work to a quiet home in a peaceful world, perhaps this yearbook will furnish us many hours of happiness as we relive in retrospect the amusing and fascinating years of our youth.

Donald Edwards

Prayer

God of the Free, we pledge our hearts and lives today to the cause of all free mankind.

Grant us victory over the tyrants who would enslave all free men and nations. Grant us faith and understanding to cherish all those who fight for freedom as if they were our brothers. Grant us brotherhood in hope and union, not only for the space of this bitter war, but for the days to come which shall and must unite all the children of earth. . . .

We are all of us children of earth—grant us that simple knowledge. If our brothers are oppressed, then we are oppressed. If they hunger, we hunger. If their freedom is taken away, our freedom is not secure. Grant us a common faith that men shall know bread and peace, that he shall know justice and righteousness, freedom and security, an equal chance to do his best, not only in our lands, but throughout the world. And in the faith let us march toward the clean world our hands can make. Amen.

STEPHEN VINCENT BENÉT

MR. BRYAN'S

The Alameda High School had its beginning in the year eighteen hundred seventy-four, in a small room over a store on the southwest corner of Park Street and Santa Clara Avenue. In its seventy-one years of service to the young people of Alameda it has developed certain ideals and aims for which it stands and for which it ever strives. It is my purpose, in this short message, to recall to you some of those ideals and aims.

The Alameda High School aims to reaffirm constantly the basic principles of true Americanism as set forth in our nation's basic documents. It believes that it is the duty of every student of the school to know and live the American's Creed:

"I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many sovereign states; a perfect union, one and inseparable, established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its flag; and to defend it against all enemies."

MESSAGE

The school strives to build a democratic friendly spirit which bestows admiration on individual accomplishment, and creates friendliness and interest on the part of both students and faculty. Through the student body government, class activities, and clubs it aims to develop the ability to work with others in a democratic way and to develop the social side of the student's nature.

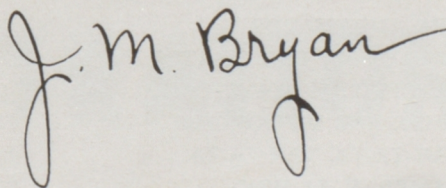

The school stands for high scholarship so that the students may be better prepared for the life that will follow graduation. It believes that strenuous work is a very definite preparation for that life.

The school stands for the essence of good sportsmanship as revealed in the ability both to greet victory with enthusiasm and to accept defeat with grace.

It aims to create school loyalty so that every student will have a pride in his school and be loyal to its ideals and traditions. In summary, Alameda High School strives to foster an environment conducive to preparation both for a living and for life.

The young men of ancient Athens took an oath that they would transmit their fatherland, "not only not less, but greater and better than it was transmitted to them." I would urge you, the students of Alameda High School, to transmit your school, not only not less, but greater and better than it was transmitted to you.

The preparation and publication of a year book such as our ACORN is a difficult and arduous task. To Mrs. Le Hew, faculty adviser, Don Edwards, editor, Frederick Maurer, business manager, and the Acorn Staff I extend my sincere thanks and my hearty congratulations for the splendid service they have given the school.

A handwritten signature in dark ink, reading "J. M. Bryan". The signature is fluid and cursive, with a large, stylized initial "J" and a long, sweeping underline.

ADMINISTRATION

JACK WEEDEN

A. S. A. H. S.

FALL, 1944

<i>President</i>	JACK WEEDEN
<i>Vice President</i>	DORIS BUZOLICH
<i>Recording Secretary</i>	DEXTER GANS
<i>Financial Secretary</i>	DICK FETHERSTONHAUGH
<i>Yell Leader</i>	BILL SCHACHT

The Fall Term, 1944, is one which will be long remembered in A. S. A. H. S. history. The associated students were led by a president surpassed by none, Jack Weeden. His continuous efforts for successful student meetings and his brilliant leadership guided the administration through an outstanding semester. Backing President Weeden at all times Vice President Doris Buzolich proved herself capable, efficient, and well worthy of her office. This administration boasts that for the first time in the school's history, a recording secretary completed the term without a single correction of the minutes. Financial Secretary Dick Fetherstonhaugh added his name to the short list of "Money men" who have secured 100 per cent student dues. Yell Leader Bill Schacht gave sparkling entertainment to the meetings with his energy and school spirit.

A wide variety of entertainment was offered during the term. The 53rd Infantry Band gave a fine concert; the semi-annual Student Talent program was excellent; the eminent author, Howard Pease, gave an enlightening talk on the art of writing. One other program is recalled in particular; namely, the "Chinese" Magician with a definite Brooklyn accent.

Some of the groups which promote a successful administration are the Student-Faculty Committee, the Ad Board, and the Men's and Women's Boards of Control. More important than these, however, is the splendid coöperation of a student body which understands that Alameda High is the finest school in the Bay Area and works to prove that fact. On behalf of my fellow officers and myself, I wish to thank one and all for the coöperation given this administration.

Financial Secretary.....RAY McMULLIN
Yell Leader.....BILL SCHACHT

DEXTER GANS

The Student body activities of the Spring term of 1945 were directed by the splendid leadership of President Dick Gans. The Vice President's office was capably filled by Jeanne Kyriacos who gave genuine coöperation to students and faculty. Recording Secretary Bill Wirt conscientiously fulfilled the duties of his office. Financial Secretary Ray McMullin worked hard on student cards, and was successful in adding several new Student Card rates to the list of benefits derived by members. As this goes to press, the student body is approaching the 100 per cent mark again. The students expressed their confidence in Yell Leader Bill Schacht by returning him to the office for a second term. His spirit, versatility, and excellent voice added immeasurably to the student meetings.

The administration's main objective was to secure bigger and better student meetings. This goal was attained through the efforts of the administration and the student faculty committee. Among the outstanding meetings were the singers from the Savoy Opera Company of San Francisco, the student talent program, and Jack McDermott, the master of the marimba.

Thanks are hereby given to the Ad-Board, to both Men's and Women's Boards of Control, to the Student-Faculty Committee, and to the other organizations and committees for the kind help given us. Without their ready and willing assistance the term could not have been a success. The administration also thanks each and every member of the student body for his fine coöperation.

OFFICERS

Spring, 1945

The Men's Board of Control is composed of eighteen boys who are chosen for this office by a group composed of the President of the Student Body, the Speaker of the Ad Board, the Chief Counselor of the Men's Board of Control, and the Principal and Vice Principal. Each exercises one vote. Ten of the boys elected must be members of the Boys Block A Society, and the eight others must be upper classmen in good standing. Regulations state, further, that ten of the group must be Seniors and eight must be Juniors.

The Boards of Control preserve order in Student Meetings, Rallies, Games, and at other gatherings where the Associated Students of Alameda High School have the supervision of student conduct.

<i>Financial Secretary</i>	RAY DIVINE
<i>Yell Leader</i>	PHIL ELFERS
<i>Administrative Board</i>	BETTE DOUMITT
<i>Administrative Board</i>	BOB ASCHE

Four years is a long time; and yet, it seems no more than a few months ago that we, the members of the Class of June, 1945, trod uncertainly beneath the portals of Alameda High School. From the day of our introduction to Alameda, it was evident that our class was destined to become the greatest ever graduated. The achievement of this success was not easy. The trail was long and hard, and it was the fine leadership we had throughout these four years that made the ascent possible.

A good start in financial affairs is one of the first essentials of class success in High School. We secured this essential in our Freshman term by giving two dansants, each of which helped to raise the balance in the bank. When Circus Day came in our High Freshman term, we were ready and our class helped in a great part to make that Circus Day one of the best ever enjoyed at Alameda.

Among the many activities of our Sophomore year was the Soph Hop, "The Carefree Capers," ably managed by Don Pries and Jane Formosa. We elected as our presidents in this year Howard Seymour and John Slater. Each did a fine job in his respective term of office.

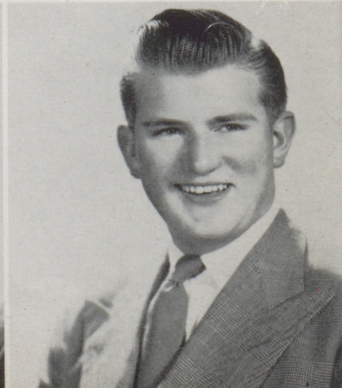

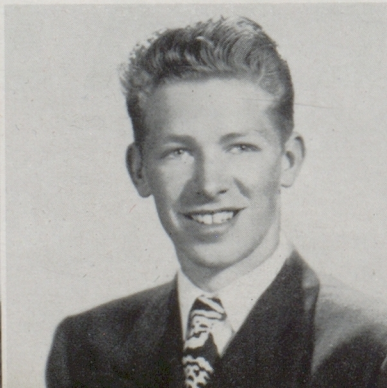

Then came the time revered by all lower classmen and remembered fondly by those above. Yes, we were upper classmen. Our list of activities continued with vigor, and under the very fine management of Buzz Thompson and Peggy Daley, we presented "The Moonlight Fantasy," which will be remembered by all as one of the greatest Junior Proms given at Alameda High. As Circus Day appeared again, we found our chief weakness, that of joining with the rest of the school to have the best time ever. Our presidents this year were Ben Neff and Bob Asche.

<i>Financial Secretary</i>	KAYTI SWEETLAND
<i>Yell Leader</i>	FRED TERRY
<i>Administrative Board</i>	BETTE DOUMITT
<i>Administrative Board</i>	BOB ASCHE

ADDISON THOMPSON

We reached our peak in our Senior year, both in social and financial success. After many weeks of concentrated rehearsal under the able direction of Lloyd Sisler, the cast of "Heaven Can Wait" gave a performance which broke all records in attendance. Among the main characters were Don Pries, Pat Horrigan, Joe Kaney, Don Edwards, Rodna Walls, and Bob Campbell. In our Low Senior term we elected Don Edwards as president, and he did a fine job in getting our Senior Jackets out on the second day of our High Senior semester. The office of president in this 4B term was delegated to Buzz Thompson, who has made plans for a really enjoyable time to be had by all.

In sports this class has been well represented. Even as a mere Sophomore Joe Kaney was high point man on the basketball team. Don Pries, Fred Terry, and Jim McQuaid were also on the Championship Team of 1943. Harry Jeffs, Ray Divine, Joe Kaney and Ducky Pries were outstanding on the baseball diamond; Bob Wilkinson, Buzz Thompson, Syd Hazelton, Fred Terry, Dick Cloux, Ray McMullin and Fritz Maurer in track; and on the 1945 basketball team were Lowell Jensen, Harry Jeffs, and Rodney Williams.

Yes, our class has done a lot. Some of this achievement is due to the initiative on the part of the students; but, on the whole, our life through Alameda High has been guided by little praised but deserving people—the advisors—who are constantly prodding us to get things done. And so, now that we are on the last leg of our journey through a very happy and successful four years of high school, we wish to thank Mr. Bryan, Mrs. Hall, and all the members of the faculty who have given us that little shove needed for the achievement of success.

PATRICIA WIEBE

Franklin Delano Roosevelt

A nation grieves for its gallant captain. A world mourns its foremost champion of freedom. The great and the humble stand hushed in their overwhelming sorrow. Armies march on to certain victory, remembering the vision and courage of their fallen commander in chief. Momentous plans take shape for translating into reality his dream of an enduring peace. The man with the golden voice and charming smile, the president who led with boldness and imagination, the humanitarian whose great heart embraced the aspirations of mankind, moves to his immortal place in history. Our lives which he enriched seem empty and lonely, for he had the unique gift of intimacy and it is as though we have lost a loved one. In the farthest corners of a war torn earth his name is revered by all who cherish liberty. At a fateful hour in the story of civilized progress we pause to bow our heads in grateful memory. As Americans we are proud to have given the world so eloquent a spokesman of its hopes for the future.

Franklin Cummings.

BILL STAGE

CLASS OF

Officers — Fall, 1944

<i>President</i>	BILL STAGE
<i>Vice President</i>	JEAN FOSTER
<i>Recording Secretary</i>	GLENN McLEAN
<i>Financial Secretary</i>	JIM GOGGIN
<i>Administrative Board</i>	ED BLAMIRE
<i>Administrative Board</i>	DOROTHY WEDELL

It was with some trepidation, we must admit, that we, the class of January, 1946, first entered through the shining portals of A. H. S. We chose Wayne Jackson and Johnny Rapp as our Presidents for our Freshman year. Our main activity for this year was the Candy Booth, Circus Day.

In our Sophomore year our class pep burst forth by giving the "Rain Drop Hop," managed by Bill Stage and Jean Coughlan. Later in the term a gardenia sale was given which netted good returns. Our presidents for this year were Dick Gans and Peter Wright.

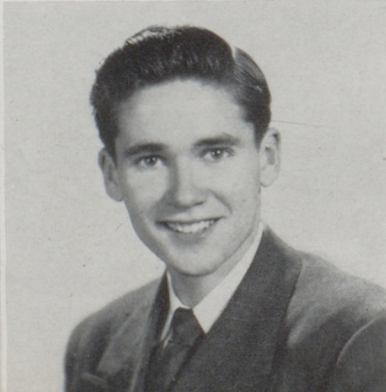

Upper Classmen at last! In our 3B term we presented the great "November Nocturne," managed by Ed Blamire and Mary Tilly. Also in our Junior year we sponsored one of the main and largest booths on Circus Day, "Hot Dogs." Presidents were Ronald Robinson and Bill Stage.

On the ninth of March "You Can't Take It With You" was presented. Those who saw it will never forget the expert acting of Arline Ralston, Lu Bach, Bob Albers, Marilyn Norton, Joan Kellberg, Vic Schutzky, Tom Grunwald, Jim Goggin, Alma Dawson,

JEAN FOSTER

FEBRUARY 1946

Officers — Spring, 1945

<i>President</i>	ED BLAMIRE
<i>Vice President</i>	JOAN MANBERT
<i>Recording Secretary</i>	EVELYN WHITE
<i>Financial Secretary</i>	JEAN COUGHLAN
<i>Yell Leader</i>	DAVE COX
<i>Administrative Board</i>	JIM GOGGIN
<i>Administrative Board</i>	JEAN PERATA

ED BLAMIRE

Richard Lander, Ken McLaughlin, and many others. With this splendid cast and with Mr. Lloyd Sisler as director, the play was a big success. Our clear profits on this enterprise topped the \$600 mark.

By now many of our boys are active in sports; for example, Bill Wirt, Johnny Rapp, and Rodney Merrick in basketball, with Glenn McLean as manager; Wayne Raymond and Ed Reith in baseball; Larry Caviglio, Wayne Raymond, Bailey Clinkenbeard and Carlos Ingram in football; Ken McLaughlin, Bob Albers, and Gordon Richards in track; Jim Shiels in swimming.

We take this opportunity to express our appreciation to our class advisors—Mr. Watt (chairman), Miss Barrett, Mrs. Berry, Miss Hays, Mrs. E. Herrick, and Mr. Frank Young. The class is now looking forward to the picnic, banquets, Senior meeting, and a beautiful Senior ball next term.

As we stand at the end of our High Junior term, we are able to look back on three years of hard work well done. Since our entrance into Alameda High School in September, 1942, the Class of June '46 has excelled in athletics, talent, and school activities.

Our ability to work together was shown by the successful presentation of our Junior Prom, the "Magic Mood." Under the capable management of Ed Childe and Lois Francis, the dance was acclaimed as a social success.

In sports our class is outstanding. Rocky Mountain, Bill Simpson, Chuck King, Al Smith, Ed Childe, Jack Ginley, Bob Dunn, Carl Monser, Don Vander Schuur, and Glen Camper are only a few of our men who excel in the field of athletics.

We wish to express our thanks to the faculty and advisors of Alameda High, who have given untiringly of their time and effort in assistance of our class activities, and without whose help we could not have done so well. At present we are looking forward to a pleasant and active Senior Year to conclude our four year stay at Alameda High School.

We, the class of February, 1947, have finally reached the day when we can proudly call ourselves "Upper Classmen." Now we look forward to the day when we will be known as the High and Mighty Seniors.

Looking back, we remember our excitement at being able to give a dance that stood out as being one of the best Soph Hops ever given. This Hop was called "The Turn-About Hop," and was very ably managed by Don Weeden and Shirley Gray. The evening was a social and financial success as many will remember. Our next successful money-making venture will be a movie which we plan to have about the first week in May.

Many members of our class have been prominent in sports. Phil Thormahlen and Bob Wentz were on last season's football team. Don Emmal and Don Weeden received their Block "A"s for tennis. Nelson Wright was on the basketball team. Walt Jensen is very prominent in track, and Harold Hutchinson is on the baseball team.

Girls going out for Block "A"s are Beverly Cleveland, Betty Conard, Nancy Crook, Dot Hayes, Lois Kelton, and Barbara Krausse.

We, the class of February, 1947, are proud of our record to date.

APPRECIATIONS...

The publication of this year's ACORN has been made possible by the gracious and willing effort of a great many people. We feel that this wartime annual might never have been published had it not been for their assistance at the crucial moments. We hope that this page will, in some measure, express our thanks to the following:

To Mr. Bryan, our principal, who was never too busy to help us when we needed it.

To Mr. Bell for his aid in handling the large groups of lower classmen.

To Mr. Piatt who, despite limited film supplies, was willing to leave his busy store and do all of the group photography.

To Mr. Wilburn Smith of the Oakland National Engraving Company for his helpful suggestions concerning the contents and coordination of the book.

To Miss Virginia Hull and Mr. Harry Ulsh for their assistance with the art work and photographic layouts.

To Mr. William C. Thompson for his excellent photographic work and his cooperation in the return of finished prints.

To Mr. Hooper and the Hooper Printing Company for his fine job of printing in producing the book on time despite wartime conditions.

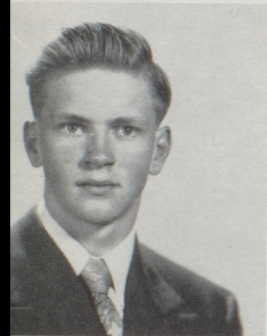

To Mr. Bushman and the Bushman-Risen Company for producing a fine cover in a year in which cloth covers are practically non-existent.

To the typing students in the classes of Miss M. Herrick, Mrs. Berry, and Mrs. Roemer for typing the senior records accurately and efficiently.

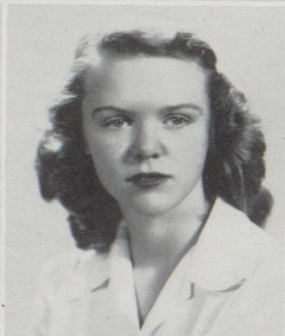

To Miss Billie Jean Baggett for typing a great deal of the copy for the ACORN.

To Mrs. Elizabeth Hall for assistance with bulletin notices, telephone calls, and verification of names and records.

To the many students who aided us by contributing snapshots.

As we reach the half way mark of our high school career, we are able to look back on a very successful two years.

In our first year we gave the "Election Dansant," which was very successful. During Circus Day we gave a talent show and had the horseshoe concession. These activities were under the management of Sid Dowling and Smith Anderson.

When we were Low Sophomores, we again gave a dansant. As we came upon our High Sophomore term we proudly presented the "Hop Scotch Hop." This was ably managed by Sid Dowling. The class spirit which prevailed made this the most outstanding event since our entrance into high school.

Many of our class are active in school sports; both boys and girls are outstanding in athletic achievement.

We would like to express our thanks and appreciation to our class advisors and faculty for their splendid coöperation. We will prove to them that we will be able to uphold high standards during our next two years.

We, the members of the class of January, 1948, having ended our second year in Alameda High School, may well look back upon our Freshman year with satisfaction. Each semester the activities in which we have participated have been successful, and we can look forward with assurance to great achievements in the coming years.

Last Fall our class held a successful "Movie," and this Spring we are planning to hold another.

In the field of sports our class boasts of many outstanding members. On the "B" basketball team we are represented by Don Hector. In other sports we have Russ Rabeneau, Richard Osoria, Don Ansel, and Bob Sutter.

April 5th, at the beginning of the Spring term, we had a very successful class meeting under the guidance of President Ed Leal. Entertainment was provided by Pat Kirby and Fay Smith.

We wish to take this opportunity to thank our 2A advisors for their willing assistance. These advisors are Dr. Rediger, Mrs. Darison, Miss Chamberlin, Mr. Sisler, Mrs. Hunter, and Mrs. Domnick.

On September 13, 1944, the new and entirely bewildered low freshman class entered the fair halls of Alameda High. However, after our first few weeks of razzing, and with the help of our kind upper-classmen, we began to pitch in to the school activities in earnest. The first thing we did was to elect class officers. Those elected were Terry Reed, President; Nancy Stromberg, Vice President; Gerald Colburn, Recording Secretary; Gary Schweitzer, Financial Secretary; Jack Foster, Yell Leader; and Marilyn Closson, Ad Board. With these capable officers to back us up, we soon became 100 per cent for student body dues. At the end of the first semester we were quite self-confident. Again we elected officers and the results of this second election were: Gerald Colburn, President; Mary Sabatini, Vice President; Pat Gripon, Recording Secretary; Gary Schweitzer, Financial Secretary; and Terry Reed, Yell Leader.

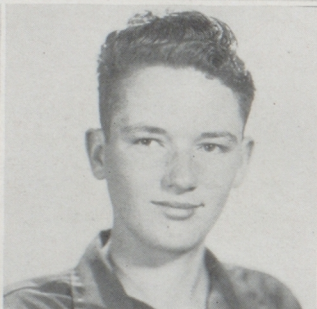

Again we became 100 per cent for student dues, and toward the middle of the semester we gave a very successful movie. Quite a few of our members have gone out for sports, and we see a very apt-looking varsity on the horizon.

Altogether our first year in Alameda High has been a very successful one, thanks to our kind advisers, teachers, and upper classmen. The class of June, '48 is looking toward a bright and hopeful future.

The first meeting of the class was held on March 22, 1945, with the newly installed officers presiding. Plans were made for raising money for the class treasury.

Our first activity was a noon dansant on April 5, 1945, with Barry Conner as chairman and Kathryn Hollywood as co-chairman. The affair was very successful financially, and we hope to enjoy many more activities in our next four years. Although we are new to the school, we are looking forward and hope to be one of the best classes in Alameda High

The shambles and ruin which is the ACORN office informs us that the end is near. For months we have eaten, drunk, and slept with the ACORN. There have been many occasions when we have feared that the ACORN could not be published. We consider ourselves indeed fortunate to be able to bring you this annual despite limitations on paper, cover material, and engraved area.

The major portion of the credit for the production of the ACORN goes to the real brains of the outfit, Mrs. LeHew, who brought order out of chaos time after time. I would also like to extend my sincere thanks to the members of the staff for the efficient, cooperative, and prompt manner in which they carried out their assignments. And finally, a great deal of credit goes to the students themselves, without whose assistance, our task would have been well-nigh impossible.

Well, we have worked hard during the past few months in order to get this book to the press; yet we have enjoyed our job at the same time. If this edition gives to you, the reader, the same pleasure that was ours in preparing the book, we shall consider our time well spent.

The *Oak Leaf* staff has worked hard, this year, in order to make the paper a success. With the aid of coöperative students, the staff feels that it has achieved this goal. During the past year, many improvements have been made: new columns have been introduced, larger and better editions have been published, and news from boys in the service has been given more space. A "Senior Edition" is becoming a tradition of the *Oak Leaf*, and we hope to make this year's edition one of the best ever.

Thanks is extended to the Editorial and Business staffs for their fine coöperation. Both staffs wish to extend their gratitude to Miss Powers for her help as faculty advisor.

Next year, when the call for help comes to you, don't hesitate, get in and work to make your school paper the best possible for in this publication is reflected the spirit of Alameda High School.

DRAMA

During the past year, the Dramatics department has excelled its splendid record of the past. Under the expert direction of Mr. Lloyd Sisler, two great Senior Plays were produced. During the Fall term, the Class of June '45 presented "Heaven Can Wait," starring Don Pries, Joe Kaney, Don Edwards, Rodna Walls, Pat Horrigan, and Bob

Campbell. In the Spring term, the Class of February '46 presented the comedy "You Can't Take It With You," with Lou Bach, Arlene Ralston, Bob Albers, Marilyn Norton, and a great cast.

Under the joint direction of the Music and Drama departments, the annual Christmas Pageant and biennial operetta were produced. The Christmas Pageant, written by Mr. Sisler, presented Dave Giosso in the role of the philosophical old man, and was acclaimed as an excellent production. The popular "New Moon" was presented as the operetta and was an immediate success. Starring in it were Barbara Penberthy, Bev Butler, Bill Schacht, and Rocky Mountain.

The Men Who Back Our Teams

During the past four years several members of the Alameda High School coaching staff have either entered the service or have been promoted to other positions. However, each has been replaced by an equally successful coach. This year Alameda lost two more of its staff of coaches, Stan Schneppe and Homer Irwin.

The present physical education department consists of Lewis Jolly, who heads the staff and coaches track; Chet Millett, who coaches baseball and football; Frank Young, who coaches swimming and "B" football; "Hank" Jones, who replaced Stan Schneppe and turned out an excellent basketball team; and R. W. Wiedman, who replaced Homer Irwin and is coach of "B" baseball.

We are greatly indebted to the coaches for their whole-hearted and gracious efforts.

JOHNNY RAPP

VARSITY

JUNIOR VARSITY

FOOTBALL...

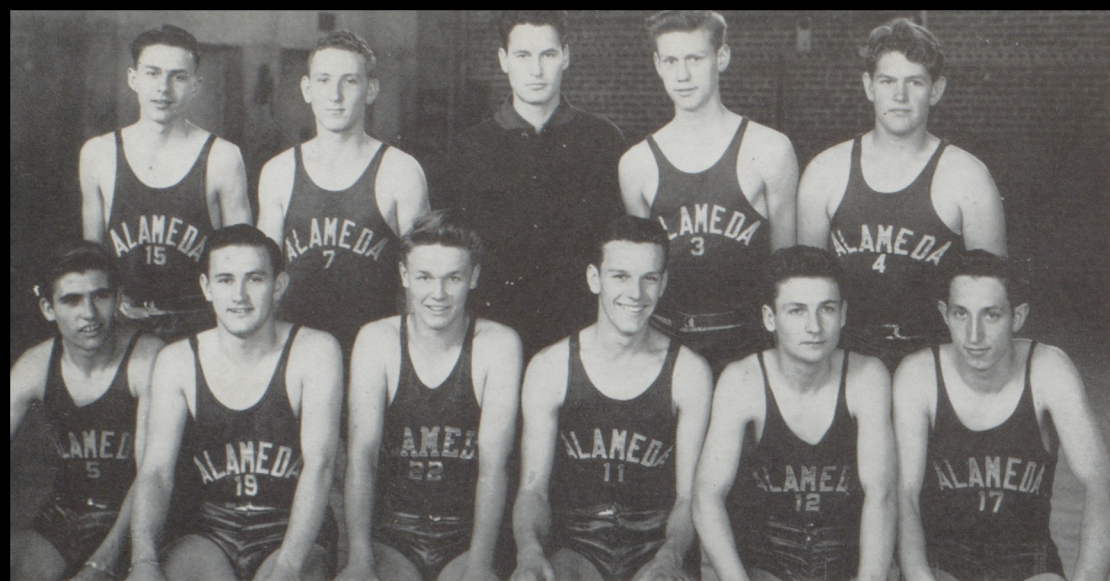

The football team of 1944 was one of the most hard hitting, high spirited teams that Alameda has ever had. This was shown by the fact that the squad took five defeats and then came back for the last game and beat one of the strongest teams in the league.

Alameda was represented on the honorary all county team by Bill Nissen. Bill played exceptionally fine ball the whole season. Another player who was, however, overlooked was the very fast, hard hitting quarterback for Alameda, Hugh Williams.

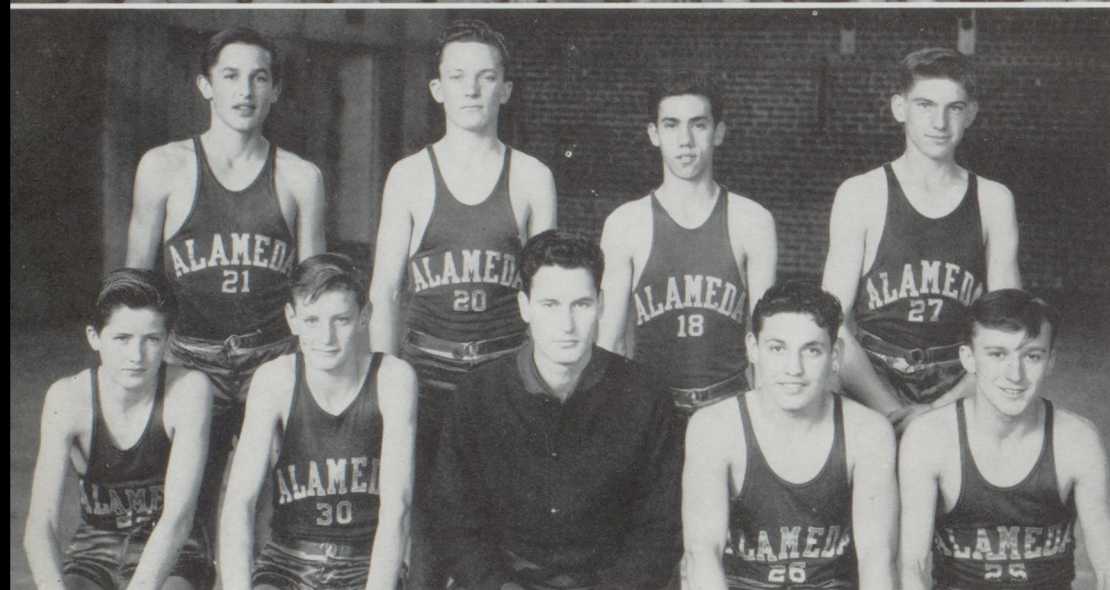

The Seniors not returning are Bill Nissen, Hugh Williams, Fred Terry, Dick Fetherstonehaugh, Grover Harader, Rolph Harader, Cliff Asvitt, Bob Foote, Leon Hunter, Lee Rebeneau, Allan Silva, and Bill Soares. Coach Chet Millet will have the following players to work with next year: George Lagorio, Jim Psaltis, Wayne Raymond, Phil Thormahlen, Larry Caviglia, John Brown, Glenn Camper, and Jim Marshall. The Junior Varsity had a very successful year under coaches Homer Irwin and Don Bell, and will have plenty of good material for the varsity next year. The "B"s under Coach Frank Young, also had a pretty good season and will have some fine players for next term.

Among the teams that have passed through the annals of Alameda High School, there never has been a team to break so many records and still remain in second place. The team as a whole worked fast and smoothly on the floor and broke the record for the most points scored in one game for this season.

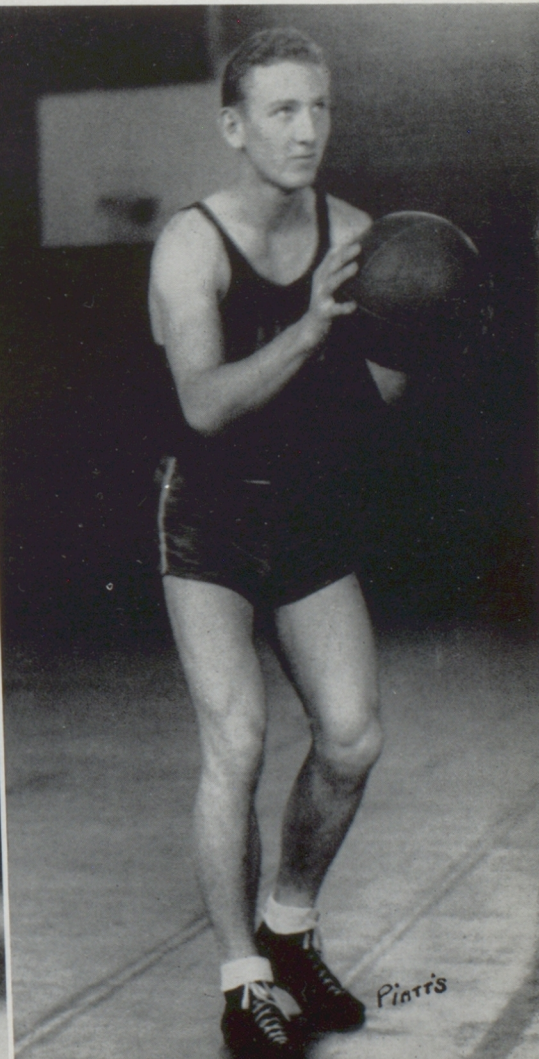

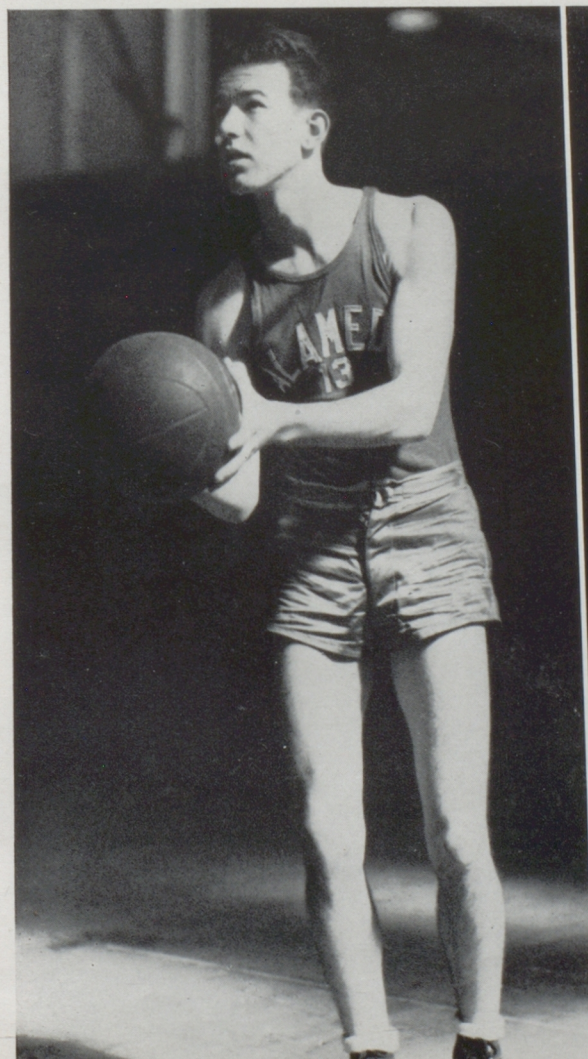

The most outstanding player of the team was tall Bill Wirt, who scored the most points ever to be scored by one player in one season.

Under the able direction of Coach "Hank" Jones there were three all county players named, Bill Wirt, our outstanding center, Fred Terry, a consistent forward, and Bob Dunn, an able guard.

The seniors graduating are Fred Terry, Dick Gans, Harry Jeffs, Lowell Jensen and Rod Williams. Coach "Hank" Jones will have the following players returning next year: Bill Wirt, Jack Ginley, Jim Marshall, Bob Dunn, Johnny Rapp, Nelson Wright, Rodney Merrick and Ed Childe.

The "B" team placed third, under Coach Jones. The team consisted of Clarence Doyle, Don Hector, Chuck King, Bill Thompson, Al Dias, Drexel Wesleder, Jim Sugru, Jim Ortner, and Jack Spires.

JOHNNY RAPP

VARSITY

JUNIOR VARSITY

BASEBALL...

This year's Hornet baseball team is an up and coming ball club. After losing the first few practice games, Alameda has finally found itself and has won two out of the first four A. C. A. L. games. The losses were to Richmond 2 to 1 and Hayward 10 to 1. The wins were over Berkeley 13 to 1 and Albany 8 to 3.

Coach Chet Millett has formed a very strong pitching staff. This consists of Jack Stone, George Lagiorio and Bill McDonald. Jack and George are tied in the pitching league; each has lost one game.

The ACORN goes to press before the league games are finished and we will not be able to give you all the scores. But Coach Chet Millett promises a fine record. The members of the team are Jack Stone, pitcher; Bill McDonald, pitcher; George Lagiorio, pitcher and catcher; Wayne Raymond, first base; Ray Ratto, second base; Al Smith, third base; Harold Hutchinson, short stop; Wally Curlett, outfield; Don Wilson, outfield; Ray

Divine, outfield; Ed Childe, outfield; Will Ramos, outfield; Jim Ortner, outfield; Bill Wirt, outfield, and Jim Kerr, utility.

Coach Raymond Wiedman has a lot of fine players and promises to have some on Varsity or Junior Varsity next year. The team consists of: Dean Berg, outfield; Ronny Croof, right field; Howard Cumming, outfield; Al Diaz, shortstop; Phil George, outfield; Owen Hand, first base; Trevor Hill, shortstop and outfield; Glenn Lucas, second base; George Marceline, left field; Milton Moebus, outfield; Dan O'Connell, outfield and second base; Ben Pisciotta, centerfield; Eugene Sirois, third base; Jack Spires, first base; Bob Sutter, center field; Clarence Vernon, right field and manager; John West, pitcher; Dick Wuestoff, third base; Jack Caton, third base; Barry Conner, outfield; John Hammons, short stop; Bob Brown, pitcher; R. W. Wiedman, coach.

VARSITY

"B's"

TRACK...

The Hornet track team under the leadership of Coach Lewis Jolly is becoming a first place team. The team has already taken three meets and is getting ready to win the A. C. A. L. and N. C. S. finals.

Some of the members of the team who are outstanding are: Dick Cloux, 100 and 200 yard dash, discus throw; Walt Jensen, pole vault, high hurdles and broad jump; Fred Terry, high and low hurdles, shot put; Ray McMullin, discus and shot put; Bob Wilkinson, 880 yard run; Carl Monser, 100 and 220 yard dash, broad jump; Jim Psaltis, shot put and discus; Addison "Buzz" Thompson, high jump.

The Seniors who are leaving the team are Dick Cloux, Fred Terry, Ray McMullin, Bob Wilkinson, Fred Maurer, "Buzz" Thompson.

JOHNNY RAPP

SWIMMING...

The Alameda High School Varsity and "B" swimming teams have a great handicap this year. There is no pool in Alameda and three times a week the team goes all the way to Berkeley to practice.

Even though Coach Frank Young has this to deal with he has developed some outstanding swimmers. They are:

Jim Shiels and Bill McGlinn.....50 yd. dash
 Leo Halverson.....100 yd. free style
 Bill Simpson and George Hunt 220 yd. free style
 Don Weeden.....100 yd. backstroke

Bill Finnegan and Charles Sorrels.....Diving
 The swimmers that will not be back are:
 Jim Shiels, Bill Erdmann, Tom Meredith.

Coach Frank Young will have the following swimmers to work with next year:

Bill Simpson
 George Hunt
 Don Weeden
 Leo Halverson
 Tim Chapman
 Rocky Mountain

Bill Finnegan
 Bob Hoffman
 Charles Sorrels
 Raymond Hale
 William Waggnar
 Gene Shofe

JOHNNY RAPP

TENNIS...

Alameda's tennis team tied for third place with Piedmont in the A. C. A. L. tennis league. Lewis Jolly did a splendid job in coaching a new team. The members of the tennis team were:

Jim Goggin
Ed Blamire
Ivo Micheli
Warren Musser

Bob Lagle
Don Weeden
Don Emmal
Robin Rosefield

Bob Emory

All of the above players will return next year except Jim Goggin and Ed Blamire. Consequently, Alameda should have an experienced team.

STANDINGS:

First place	Berkeley
Second place	Albany
Third place	Alameda and Piedmont
Fourth place	Hayward

The Girls' Athletic Association consists of those girls who take gym during sixth period. Any girl who has an interest in sports may join the association. Competitive games and sports are encouraged between the members and the various classes they represent.

A Cabinet composed of six girls heads the association.

At the close of each semester the Association holds its semi-annual spread at which time athletic awards are made. These consist of Block "A," Winged "A," Circle "A" and numerals for the teams who have won the various tournaments.

This organization is proud of its active participation in various school activities. Two student meetings were presented this past year by the group. The group presented Howard Pease in the fall and a concert from the Camp Knight army band in the spring. Representatives also went to a playday in San Francisco.

MR. REGINALD F. SAUNDERS, *Chairman*

MISS MARY CONNELLY

MR. DARRELL COUGHLAN

The last two terms of the Alameda Chapter of the C. S. F. have been very successful and eventful. The Club commenced the fall semester with a party at the home of Miss Charlene Rule, and an enjoyable evening was had by all. Under the able supervision of fine officers, the club was very active.

The C. S. F. is the highest scholastic club in the school. The requirement for life membership in our organization is four terms of membership, with one of these terms in the Senior year. Life membership entitles the student to the gold pin award and three gold seals; one for his diploma; one for office records, and one for college transcripts. Through the marvelous opportunity of scholarships, many C. S. F. life members are now attending colleges. The members sincerely hope that all students who are eligible will come and join the group.

To the faculty advisors who have given assistance and coöperation, the club is deeply indebted for the past successful season.

At the end of another school year, the Star and Key Society looks back at terms replete with successful participation in school affairs. In addition to the regular meetings, at which entertainment was provided by student talent, this club sponsored a moving picture show.

The society expresses deep gratitude to Curtis Bangs and Barbara Norris, who, with the other officers, have presided over interesting and entertaining meetings for the past year. The club sponsors have given much time and helpful coöperation for which the members are grateful.

Membership in the society is open to all students who have maintained a "B" average for the previous semester.

Any student who has been a member for three consecutive or four non-consecutive terms becomes a life member. In recognition of life membership he is entitled to wear the Star and Key pin and is given a red seal on his diploma.

All students who are eligible for membership are strongly urged to join the Star and Key Society.

Le Cercle Français is one of the oldest and largest clubs in Alameda High School. It has over eighty-five members at the present time. All students who have taken French in the past or are taking it now are welcome to join. The dues are twenty-five cents a semester and the meetings come once a month.

At these meetings plans are discussed for raising money, refreshments are served, and many progressive games are played, usually in French. Le Cercle Français has the very fine backing of Madame Darison and Mademoiselle Gamble of the French Department. The members are looking forward to many other successful terms to come.

All good things must come to an end and this enjoyable year in the Latin Club's history is no exception. This year has included in its annals many delightful meetings. At Christmas time the Latin Club had a very entertaining Roman Saturnalia Festival arranged by an entertainment committee including Barbara Norris, Pauline Hahn, Bill Hovey, and Norah Johnston.

The club's purpose is to foster friendship among Latin students, to develop an *esprit de corps*, and to stimulate interest in the classics.

The members would like to take this opportunity to thank our patient sponsor, Mrs. Ambrosoli.

PATTY MILLER

MISS ISABEL VENARD	<i>Advisor</i>	MISS ISABEL VENARD

The meetings of both the Fall term and Spring term of the 1944-1945 school year have been successful ones for the Spanish Club.

The theme of the Fall term was Mexico. The first social meeting set the pattern when Miss Harriett Hughes gave a spirited and humorous account of her summer vacation trip to many points of interest in Mexico. The next meeting followed the same idea with the showing of a colored motion picture of some of the customs, people, and well known places of Mexico. Then the Christmas meeting, the most largely attended of the term, took the form of a Mexican Christmas party during which the breaking of the piñata was enjoyed by everyone.

The Spring term has afforded pleasure to the Spanish Club members because of the talent shown by their interpretation of Spanish and Mexican music by fellow members of the club. Among those who have participated have been Lois Riley, Virginia McLain, Hazel Brewer and Malcolm Morey. At each meeting also, following the tradition of several years, the club song, "Carmen, Carmela," has been sung by the students present.

The officers of this year deserve much credit for their energy in preparing and carrying through programs of interest to all who have attended.

GIRLS' ASSOCIATION

The purpose of the Girls' Association is to draw the girls together in common interests and activities. Last term, for the first time, the Girls' Association was 100 per cent in paid membership, due to the efforts of Rodna Walls.

The Freshman Reception this term, which was held February 15, was carried out in a Valentine theme. The purpose of this function is to welcome the new students and establish a comradeship between them and their fellow students.

Many interesting meetings are held each term for the entertainment of the girls. The Girls' Association gave a very unusual program for the student body; it was a musical skit given by the Savoy Opera Company.

The Girls' Association is happy to say that it has had a very eventful year under the able leadership of Betty Markman and Rodna Walls.

MENS' ASSOCIATION

Since the Men's Association was re-organized in 1941, its purpose has been the advancement of sports in the high school. The promotion of the general welfare of the boys of this school has also been a chief objective. This semester, the administration introduced non-compulsory dues to further the cause of the organization by providing entertainment for the boys. The measure received a large majority of votes from the boys, and a large sum of money was collected. A number of entertaining meetings were presented this term, and on the whole, the Men's Association has had a highly successful semester. Many thanks to our advisor, Mr. Hopkins, for his help and guidance, and lots of luck to future administrations.

Those gold and white pom poms you waved madly at football games during the fall of 1944 were made by the Girls Block A Society, the highest goal for girls in the G. A. A.

Membership is attained only after at least two years hard work. Girls must participate in almost every sport offered in order to win the coveted "Block." Seven new members were formally initiated this spring at a theater and dinner party held in San Francisco.

The principal purpose of the society is to develop leadership and build a greater interest in athletics for girls. The society also offers help to any member who wishes to go on to college and make athletics her career.

The coming term will be a very busy one for the Girls Block A, with money making plans and get togethers for the society under way.

The Boys' Block "A" Society is for those boys who have been awarded a block "A" for athletic achievements in one of the various sports.

The activities of the society include the annual initiation and picnic held in the Oakland hills. Every second year our initiation provides part of the entertainment for Circus Day.

It is to be hoped that the membership of this society will increase because athletic prowess and the good sportsmanship promoted by this group do much to give a school its name and reputation.

The Red Cross Council undertook several projects this year. The first one was the purchase of a piano for the hospital at Camp Shoemaker. Two large blackboards to be used in the wards of Oak Knoll Naval Hospital were bought, and the easels made in the school wood shop. The same hospital was provided with six ping-pong tables. To another military hospital in the Bay Area the Council contributed 1,000 much needed ashtrays.

During the Christmas season, the Alameda Naval Air Station sick bay was provided with 125 filled Christmas stockings. For the Navy ships which were at sea during Christmas, the art classes made 500 gay menu covers. In March the Council made an appropriation of \$100 to the National Childrens' Fund.

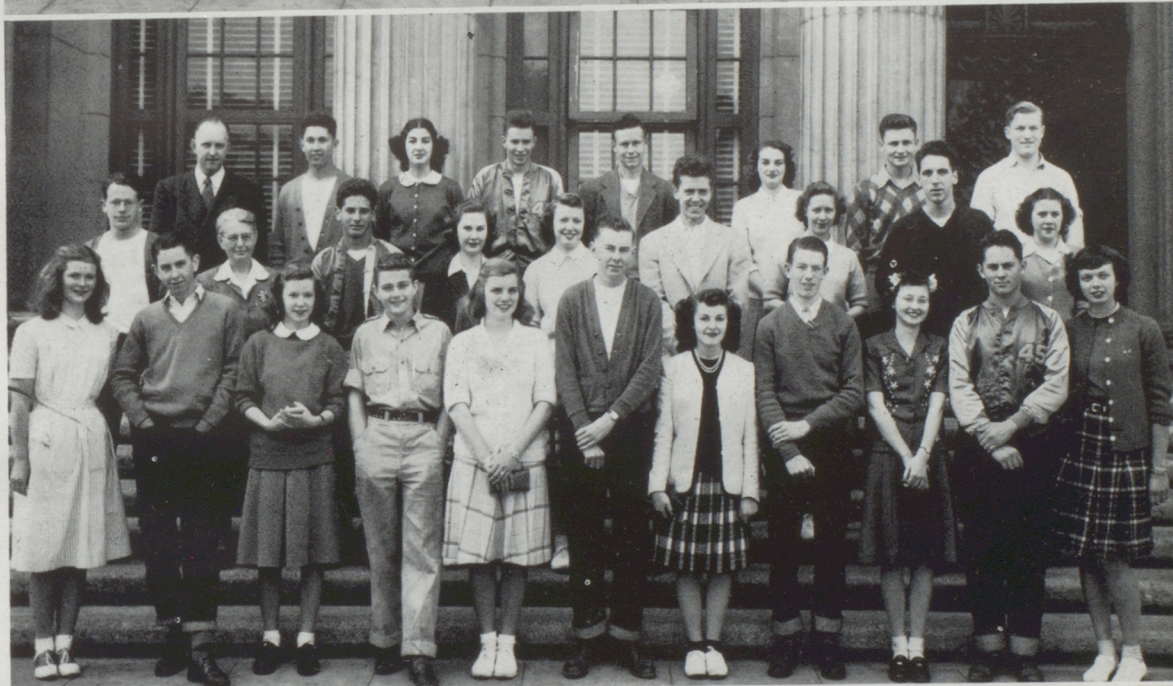

All of this work has been made possible through the generosity of the students of Alameda High School during the annual Red Cross Roll Call and through the many hours of service given by the members of the Council.

R. O. T. C.

CAPTAIN JACKSON F. HOON

RESERVE OFFICER'S TRAINING CORPS

The Reserve Officer's Training Corps, in Alameda High School, is composed of approximately 300 members under the very able and capable leadership of Captain Jackson F. Hoon, assisted by Staff Sergeant R. H. Huntington.

On May 21, the cadets gave a brief resume of the course which they had been taught during the past year. The unit was inspected on this date by a Federal Inspector, and was judged on classes, extended and close order drill, physical training, and military courtesy and discipline. For the last five consecutive years the unit has attained the difficult title of "Honor School."

On May 23, the Annual Competition was held. The four companies and the band competed against each other in the following capacities: extended and close order drill, physical training, and military courtesy and discipline. The cadets also competed individually in the drilldown, which is a test on the movements of the manual of arms.

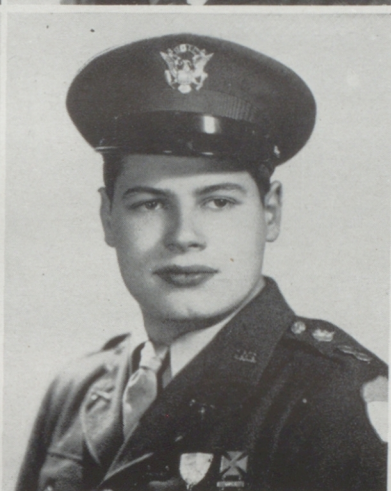

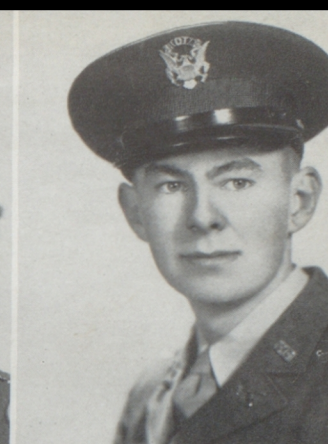

The R. O. T. C. rifle team, composed of cadets, was very active in the past year, engaging in numerous matches with other schools.

There was, also, in the early part of the year, a demonstration of the R. O. T. C. course given to the members of the Parent Teachers' Association. Following this, a street parade was given by the battalion as a part of a drive to secure homes for war workers.

The classes taught in R. O. T. C. are combat principles, military organization, military sanitation and first aid, characteristics of infantry weapons, map reading, military history, and orientation, technique of rifle fire, and rifle marksmanship.

The object of the Reserve Officer's Training Corps is to train youths to be better citizens and leaders. The unit feels that this object is being carried out to its full extent.

The Sword and Shield Society is composed of the officers and sponsors of the Alameda High School R. O. T. C. Battalion. Our purpose is to provide various social activities in the R. O. T. C. and to strengthen the morale of the Battalion. This year has proven a very successful one. Under the leadership of Capt. Colin Devine in the fall, we sponsored a very successful dansant and held a picnic and house-party. During the spring term our biggest event is the Military Ball which was presented on May 25 under Capt. Bob Asche. Also, during this term we put on a dansant and held a picnic and house-party. We would like to thank Capt. Jackson F. Hoon, our advisor, for giving so generously of his time, and also the Battalion for the excellent support it afforded us in all our functions.

Chief Clerk

RIFLE TEAM

The Alameda High School R. O. T. C. rifle team has just concluded a very successful season. Seven of the high ten shooting members were representing the school in competition for the first time. They came through very well in the Ninth Service Command Match, placing Alameda High School well up in the high third among teams from the eleven western states, and thus qualifying the team for entry in the National Intercollegiate Match. In the latter match, all members increased their scores, and the team placed sixth among teams from the above mentioned states. Next year the seven new members will be veterans, and should do even better.

A great incentive to the team has been the awarding of the small Block "A", minor sports award, to the high ten shooting members for the season. This year the highest season total was fired by Grady White, a sophomore firing for the school for the first time. The other nine members who will receive the Block "A" award, in order of scores, are Richard Lander, Fred Berlin, Tom Collins, Don Herald, Edward Leal, Don Evers Wesley Pease, Edward Jorgensen, and Don Conant.

CHEM CLUB

CHESS CLUB

Signal Oil Company maintains in the City of Alameda its Division Office which operates and controls Signal's activities in California from the lower San Joaquin Valley and Santa Maria to the Oregon border and also in the State of Nevada.

The Local Bulk Plant and Marine Dock is located at the foot of Oak Street, and together with the Division Office at the same location employs over 100 people. In addition Signal has six Retail Service Stations in Alameda which are as follows:
